HYTORC Equipment Rental Program FAQ

What Are HYTORC Rental Credits?

A rental credit allows the dollar value of your rental to be credited toward the future purchase of select HYTORC tools. **100% value of the tool rental credit is valid for 30 days.**

How Are Rental Credits Earned?

Rental credits are based on the value of the HYTORC tool(s) that you rent*.

When Are Rental Credits Available?

Rental credits are earned as soon as a rental is completed, billed, and the invoice is paid in FULL. After that date, 100% of the value of your rental credit valid for 30 days.

What Can a Rental Credit Be Applied Towards?

Rental credits can be applied towards the purchase of any HYTORC Productivity Enhancement tool**.

What is Considered a Productivity Enhancement HYTORC Tool?

STEALTH, MXT+, JGUN, and Lithium Series torque tools.

Is Anything Required Before I Can Use a Rental Credit?

The rental invoice they are associated with must be paid in FULL.

Is There a Time Limit for Using the Full Value of My Rental Credits?

Yes. To use the full value of the rental credits, they must be used within 30 days of the invoice date.

What Happens If I Use Them After Those 30 Days Have Passed?

Rental credits are reduced to 50% of your rental dollars if they are used more than 30 days after for the date on the invoice.

Do They Ever Expire?

Yes. All rental credits expire 6 months after the date of the rental invoice.

Terms & Conditions

- Customers can obtain a copy of their rental credit report upon request through their sales representative.
- If an invoice has a zero-value balance using rental credits, then a \$100 handling charge will be applied to that invoice along with relevant freight charges.
- All rental credit orders must be accompanied by a hard copy PO or company credit card.

**Taxes, freight charges, accessories, and sales rep. charges do not earn credit dollars.*

*** Accessories, pumps, and tensioning equipment are not included in the rental credit program.*
